Alien ORIGIN STORY

Long ago in a workshop far away a
woodworker named Grandpa Marvin
wanted to make yard decorations that were
more than pink flamingos and so a friendly
green alien was created. For years these aliens
graced the lawns of family and friends, becoming
neighborhood delights, and one even made it to
the mothership of the Truckee **SQUEEZE IN**.
One guest proudly wrote: **BEST OMELETTES
ON THE PLANET** right next to the little alien
decoration and thus the tagline and mascot were born.
